

**Expressions of interest are invited for stall sites for the  
*Evandale Village Fair and National Penny Farthing Championships,*  
to be held in the streets of Evandale on Saturday, 18<sup>th</sup> February 2017.**

Applications should be forwarded by 18<sup>th</sup> January, 2017. A maximum of 40 sites are available.

To comply with Council and insurance company regulations, all stallholders must have a public liability insurance policy, in either your name or the name of your business. A copy of your Certificate of Currency is to be included with your application.

Applications must be accompanied by full payment. A tax invoice will be issued on acceptance of your application. If your application is unsuccessful, you will be notified in writing and your payment will be returned within 7 days of the closing date.

Location maps will be forwarded early in February.

Food stalls must comply with Northern Midlands Council health regulations. A copy of a current Council permit must be forwarded, either from Northern Midlands or your local council.

Power outlets are limited - once a set amount is allocated, further power cannot be provided on the day. Gas is preferred, and generators can be used.

Preference will be given to stalls with a "Colonial Fair" theme. No sites are available for sideshow activities.

Stall sites will be available from 7am. All vehicles must be removed from the site and parked in the designated areas before the road closure takes effect at 9am. Vehicles can be returned when the Fair finishes at 4pm.

Stallholders are encouraged to wear costume - either to a colonial theme, or to compliment the goods they have for sale. There will be an award for the best presented stall.

Power leads are to be supplied by the stallholder. Leads must reach up to a maximum of 30 metres, and must be fitted with earth leakage and current approval tags
